Editorial

WELCOME TO 1984 - the year of Repression

Many years ago the author George Orwell wrote a book called 1984 in which he wrote about an imaginary society where 'Big Brother' watched every move and interfered with how individuals made decisions about their own lives. Everyone regarded this as a terrifying book - but throughout 1983 we've seen attack after attack on the sex industry that clearly show that Orwell's 'model' of society in 1984 is not far removed from the truth. In 1983 these things happened:

1. MORE PRISON SENTENCES - more people were sent to prison under section two of the obscene publication act than in ANY YEAR since its inception. A high court judge ruled that prison should be an automatic sentence for 'brokers in this filth'. Additionally, another high court judge ruled that importers of pornography were only one degree better than people who imported hard drugs into Britain and should be treated accordingly with long prison sentences. Is it right that the government should interfere with your life in this way? Surely the individual should decide what he reads or looks at and not some BIG BROTHER.

2. LICENSING

This was introduced to cover sexshops and cinemas over 12 months ago. It has been used, mainly, not to license but to prohibit. When the government introduced it they said that they were out to control sexshops not ban them - in reality hardly a sexshop or cinema club license has been granted anywhere in Britain. The premises are still open because of a complicated appeal procedure - but unless the courts are more sensible than the councils then quite clearly LICENSING will have been used as a 'democratic' means of abolition. Is it right, should you be deprived of YOUR RIGHTS to visit sexshops and sex cinemas.

3. ATTACKS ON NEWSAGENTS

In 1983 a concerted attack was made on newsagents selling Whithouse magazine - in an attempt to ban it. Newsagent after newsagent was charged with selling it. HOWEVER, thank God that the British jury system put a stop to this. After TEN CONSECUTIVE ACQUITALS all further charges were dropped with full costs awarded. The publishers had spent tens of thousands of pounds in legal fees to stay in business. Here big brother was stopped in 1983 - lets hope he doesn't return in 1984.

JOIN THE FIGHT AGAINST BIG BROTHER AND THE ONSLAUGHT ON BOOKS/MAGAZINES/FILMS you want to see or read - ACT TODAY:

1. Write to your MP The House of Commons, Westminster, London SW1.
2. The Home Secretary, The Home Office, Whitehall, London SW1
3. Write to the local/national newspaper you read.

Place a firm order for this magazine and magazines like it - this is a financial battle - by providing us with your support we have the funds to carry on the fight. Last year the police seized more magazines than in any previous year - causing huge financial losses to all the publishers concerned - but we will fight for their return through the courts. This costs vast fortunes in legal bills, but your support adds to our campaign funds AND visit your local sexshops and cinema clubs who are fighting for survival against regressive and retrospective legislation.

DON'T JUST SIT THERE - join the fight, write a few letters and make your opinions known to your friends and workmates - DON'T BE A WHIMP. Don't let BIG BROTHER dictate to you how you're going to lead your life - DON'T LET BIG BROTHER WIN THE DAY.

"Your Editor, Penny Hanson"

KINKS UNLIMITED

PLAYBIRDS Continental REPORT

So what kinks do you like when you're in bed with your woman? How kinky are you, in fact you might be so kinky that your kinks are normal. Well, we decided to put this question of kinky and unusual sex to various people, and we feel their answers will interest you a great deal, in fact might even give you some ideas for your next sex session with your bedmate.

FIONA

The first person we had a chat with was Fiona, a very lovely twenty five year old model girl who lives down in Dorking, and this is what she had to say for herself when we asked about her unusual sexual needs:-

"Well, I don't consider any of them to be that unusual. I happen to like everything I do, and I don't think they are kinky in the least. Mind you, I suppose that other people might call them kinky.

"The other evening I had a great time with Pete, my regular lover, and I suppose what we did is a typical example of the sort of thing that I like doing after we have fucked.

"Yes, a good hard solid fuck always comes first, and it is only after I have had a good fuck that I will get down to the other aspects of sexual pleasure.

"Well, I'm glad to say that he was in a sexy mood, a rather kinky mood, and we had a glorious fuck together, and, as usual, he really pumped a great deal of spunk into my cunt hole.

"After we had had a shower together, dried off, and had recovered from that wonderful fuck, we were in the bedroom, stretched out naked side by side on the bed, and he asked me what I had in mind now.

"I smiled, told him to stay where he was, and

went into the kitchen and when I returned to the kitchen I had some whipped cream, a jar of it, in my hand.

"I told him to relax, and then I spread that whipped cream all over his cock, coated his cock with it.

It was the first time that I had ever done that to him, and he said it was very strange, but nice, feeling, to have his cock coated with whipped cream.

I even went into the kitchen again after that and found a glace cherry and stuck that on the whipped cream on top of his cock.

"Like I said, it was nice, and very unusual,

sight and just looking at his cock like that really turned me on.

"Of course, it wasn't just for looking at, and after rubbing some of the whipped cream into his lovely balls, I then moved in there, leaned my head right the way down, and started to lick the whipped cream from his cock.

"I did it really slowly, and his cock grew really big, much bigger than normal, so this unusual aspect of putting that stuff all over his cock must really have turned the man on.

"I lapped at the cream and soon most of it was gone, except for a huge blob on his his knob, and of course the cherry was still there.

"I then licked at the cock some more, licked at the shaft and balls, and then he started to shake, and I knew that he was very close to having an orgasm, and that was when I took the head of his cock all the way into my mouth.

"My timing, as usual was perfect, for just as I took the head of his huge throbbing cock into my sucking mouth, so he came.

"The end result was that the spunk jetted from the head of his cock and carried the whipped cream with it, and the cherry.

"Yes, a thick flowing stream of hot spunk, plus a huge dollop of whipped cream, plus a cherry, all shot into the back of my mouth at the same time.

"I swallowed down the cherry first of all, and that tasted good, but the best taste was the spunk, all mixed up as it was with the whipped cream.

"I had never known anything quite like that, the cream was sweet and gooey, the spunk was thick and all hot and salty, and the combination of tastes was out of this world, the sweetness of tastes seemed out of this world, the sweetness of the whipped cream seemed to compliment the hot salty taste of the spunk, and together they produced the taste sensation of the year, no wonder I had this huge orgasm as I swallowed down that stuff."

Well, whipped cream on a cock, that should be kinky enough for most of our readers, though there is no doubt that Fiona thought what she did was perfectly normal, and as she really enjoyed it then there can't be any harm in what she did.

CLARA

Let us now move on to the next person we spoke to, Clara, who is just twenty years old and a student nurse. We asked her if she had ever indulged in what some people might call kinky and unusual sex, and this is what she told us:-

"My kinks are all to do with my bum. I don't mean anal sex, I would never go in for that sort of thing, anyway it is illegal in this country.

"No my kinks are to do with my bum, and apart from anal sex, which I won't do, I like my bum played with.

"Let me give you a typical example of this. A few nights ago I was with Len, who knows all about my kinks, and loves to help me out with them.

"Well, we went into the bedroom, and he pushed me down on the bed, for when I'm in a kinky mood I like my men to be a little rough with me.

"Then he pushed me on all fours, and hoisted up my skirt so it went right over my back, and then he used his fingers to pull my panties right the way down, and then he tugged them off.

"So there I was, bare bummed on all fours on the bed, the light shining down on my naked cheeks, and I would add at this point that I happen to think that I have a very beautiful bum indeed.

"He knelt by my side, and then he started to slap my bum with the palm of his right hand, nothing too hard, just enough to make my bum cheeks tingle, and it is this tingling effect which really turns me on.

"He slapped first with one hand and then with the other, and this slapping of my bum felt so very good that before long I could feel myself creaming up inside my cunt.

"He carried on slapping, and my bum started to glow and get red, the flesh became very red, and even his finger marks were now on my flesh.

"This was feeling very good to me, and as the gentle slapping of my bum carried on, so the juices started to drip down from my cunt and soak into the sheets on the bed.

"Then he slapped just a little harder at the naked cheeks of my bum, and this is when I had an orgasm, and after the orgasm he stopped slapping, for he knew me well enough to know that the slapping was to make me come, and then it was over.

"Mind you, the kinky bum playing wasn't over, for then he got undressed, and then he got next to me on the bed, and then he started to rub the hard and hot throbbing head of his cock all over the cheeks of my naked arse.

"This change in style made me come on the spot, for one minute I had been slapped all over my bum, and the next minute I was having a very nice hard cock rubbed all over my cheeks.

"I came many times over as his cock, his very huge hard cock, rubbed all over my arse, and then he stopped doing that, and his head came down, and then his tongue started to roam over every single part of my bum.

"Again it was the change that made me come as much as anything, from slapping, to cock rubbing, and now the licking of my bum, produced in me some really first class orgasms.

"He licked for some time, making my bum cheeks very wet with his saliva, and don't forget, he was naked, but I was still dressed – except for my bare arse that is.

"He rubbed some more and then licked and then slapped. Yes, he was now doing all three things that I loved so much, one after the other, and then the orgasms really came through, really came on hard and strong and left me gasping for breath.

"Then he wanked off. Yes, this was the final part, the part of the kinky sex action that I love so very much.

"My turning my head as far as I could go, I could see him kneeling by my side, his cock in his hand, and he was wanking off really fast, flashing his fingers up and down his solid shaft, and keeping the head of his pounding cock aimed at the cheeks of my naked bum.

"He wanked faster and faster, and I was coming all the time that he was doing it, for it turns me on a great deal to see a man wanking, to see a man wanking and knowing that the spunk is going to go all over the cheek of my arse.

"He wanked and wanked, and then he let out a great shout of pleasure, and then I had the best orgasm so far as I felt his hot lovely spunk go spraying all over the cheeks of my naked arse.

"The spunk felt really lovely as it flowed all over the cheeks of my arse, and then the last drop fell from his cock, and I reached back with my right hand and took a great deal of pleasure in rubbing every last drop of that sperm into the cheeks of my bum.

"Well, not every last drop, for I saved a little on the tips of my fingers and then I placed my fingers in my mouth and sucked them dry.

"Of course, I like fucking and sucking, love all the normal sexual things, but when I am in a kinky mood, and I'm in a kinky mood a lot of the time these days, then I do love it when a man slaps my bum and then licks my bum, and then wanks off so that his lovely thick flowing spunk spreads all over the cheeks of my arse."

Well some people would say that is very kinky indeed, and yet there are other people who would say that that is very normal indeed. You pays your money and you takes your choice.

CHRISTINE

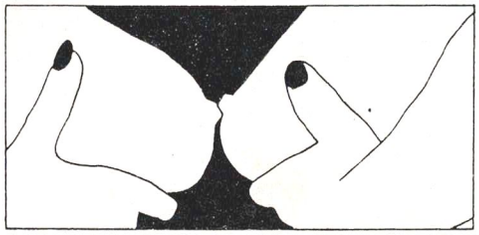
So, let's move right along to another lady, her name is Christine, and she is twenty eight years old, works in a bank and although her job mmay be rather mundane, her private life is far from boring, this is what she told us when we asked her about any kinks she liked to indulge in:-

"Well, I wouldn't call them kinks, after all, if I like it then it is normal to many. Okay, it may be kinky to other people, but to me it is normal.

"I love to have pussy juice all over my body, which means, of course, I have to go with other women to get this, for although I have tried very hard to work out various ways, I just can't get my own cunt cream all over me.

"Don't get me wrong, most of my sex is with men, but when I feel like something a little unusual, then I go round to see Kim, this girl I know, who works at the same bank as me.

"We meet up about once or twice a month, for she is very like me, she likes men, likes fucking, but needs a change every now and then. However, apart from the normal lesbian things that we do to each other when we meet up, we do have one very specific and particular thing that we just love doing to each other, and that is coating each other with sex juices, and believe



you me, it is fun, and come to think about it, I know several men who like to be coated with my stuff, but that is another story.

"We are both naked when we do it to each other, and we are on this huge bed that Kim has. It has to be a huge bed for we do tend to roll about a lot when we are with each other.

"We get really worked up by sucking and finger fucking each other, and we also wank each other off with all sort of things, though at the moment our very favourite thing is a huge penis shaped candle which feels ever so nice when she pushes it all the way inside my cunt hole.

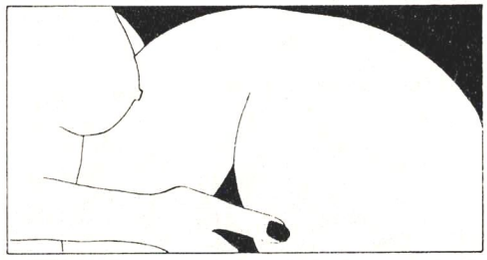
"But the best part comes when we cover each other with sex juices. We have two ways in doing this, both of them are real fun.

"She stretches out and I get over her, and rub my pussy up and down her left leg, then her right leg, and so on and so on, till I have rubbed my pussy over every single part of her naked body.

"Of course, all this rubbing of pussy against naked female flesh turns us both on, but turns me on so much that my pussy trails juices all over the place, and the harder and faster I rub my pussy on her body, the more juices I leave behind, till in the end, by the time I have finished her body is coated with cunt cream. Sometimes she does that to me, and sometimes I do it to her.

"If I have rubbed my cunt over her body, then she uses the other method with me, she crouches first of all over my face and then reaches down with her right hand and then rubs her fingers against her cunt, then pushes two fingers inside and then wanks off very fast indeed, and as she wanks so she comes, and as she comes, so the juices flow down from her pussy and shower on my flesh.

"She wanks off over every single part of my naked body, till like her I am coated with cunt cream. I sometimes wank off over her like that, but whoever receives the juices like that uses the other method when it is her turn.



"Well, there we are, two naked women both of us coated with cunt cream, both of us sopping wet with juices, and it has been fun getting the juices there like that, but it would be a pity to waste all that cunt cream, don't you think?

"Anyway, we think it would be a pity to waste it, and once we are both coated with pussy juices, that is when we go into the final part of our kinky two some together.

"I stretch out again, and this time she uses her tongue, and she uses her tongue over every part of my juice coated flesh, uses her tongue to lap her cream from my body, and then I lick at her naked body, lick and lap all over, lapping up my own pussy juices from every inch of her naked body, and it goes without saying that while we are doing that to each other, we are both having lots of orgasms.

"Well, like I said, she and I prefer men, prefer cock sucking and fucking to anything else, but every now and then the both of us get a yearning for some lesbian type sex kinks, and that is when we meet up and spread our cunt cream over each other's naked flesh. Kinky or not, we love it."

I bet there are a lot of our readers who would give anything to be there when those two women get it together like that.

Okay, the next person we spoke to was another woman. Okay, we know men like kinks as well, and in a future article we will deal with that, we just thought that for the first one you would like to hear from women mainly.

ROSS

The next person we spoke to was Ross, a very lovely redhead from Liverpool, she is out of work at the moment, but that doesn't stop her from leading a very useful and full sex life, and when we asked her what her kinks were, she smiled and told us this:-

"I love any form of sex, and I do mean any form, straight, gay, kinky, you name it and I have tried it. But as for my favourite kink, well, I have to be in a group session to get that, a group session with lots of men.

"Yes, a group session or an orgy, that is the only way that I can really indulge myself. I have two kinks, one is licking spunk from another woman's face.

"I know that a lot of people will throw up their hands, in disgust when I admit liking that. Well I don't care. Most women like sucking cock, right, and most women like to drink down the sperm afterwards, so what is wrong in wanting to drink sperm down after it has been shot over another woman's face? I can't see much difference myself.

"That has to take place in a group session, usually two women and a man. I love it when that happens. I think threesomes are real fun.

"I get the other woman to lay flat on her back and get the man to kneel by the side of the woman's face, then I take the man's cock in my hand, and then aiming the glans part at the woman's face, I then wank that man off as fast as I can, keeping the glans pointing at the woman's face all the time.

"I wank the man fast, and when he comes I wave his cock about in my fingers so that every last drop of his beautiful sperm then goes over the woman's face, and I pull on that cock, pull hard, make sure that there isn't anything left inside it before I release my grip.

"It really turns me on to look down at the other woman and see the thick drops of hot spunk all over her face, and the sight alone is so good, turns me on so much, that sometimes I have a climax right there and then.

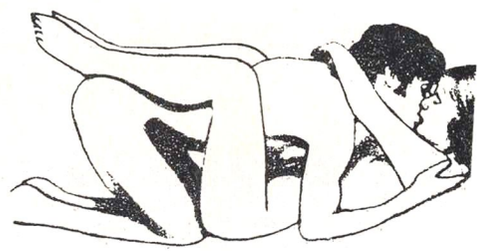
"I then move my face down to the other woman's face and poke out my tongue and then I slowly, and I do mean slowly, I move my tongue over her face and start to lap up the thick drops of hot sperm from her skin.

"I do it slowly for I like this part to last as long as possible, like to really savour the sperm as I lap it up and down and drink it down.

"The other woman always likes this sort of thing, and I always leave a few drops on her face for her so that she can use her fingers and suck them, but there are times, when the other woman is really kinky, when I will only drink down part of the sperm that I have lapped from her face, and then I kiss her on the mouth, and she opens her mouth, and then I allow the hot sperm to dribble from my mouth into hers and she then drinks it down, and it would be true to say that when this happens, the man we are with looks on with mouth wide open, hardly able to believe his eyes at what is going on.

"I said that I had two kinks, well, the second one is even kinkier than the first one. This can only take place at something like an orgy when there are plenty of men around.

"You see, this second kink of mine the one that I really like best, is to have as much sperm over my body as possible, and I do mean as much as possible.



"I try and gather as many men together as possible and then get them to wank off, one at a time, over different parts of my naked body!

"I get one man to wank over my face, get another one to wank off over my head, another one to do it over my left tit, another one to do it over my right tit, one for my belly, one for my right leg and then one for my left leg, and then one man to wank over my pussy, I use my figners to pull my cunt lips wide apart so that as much spunk as possible will go inside my hole.

"You can imagine, that after that lot, I have huge amounts of sperm all over me, and as each lot of spunk showers down onto a part of my naked body, I have an orgasm.

"How do I get all that stuff off. Well, if it is at an orgy then there is no problem, for there is never any shortage of women there who offer to lick it up for me. Yes, there are lots of kinky women like me about; but sometimes I use my fingers and wipe the stuff up, sometimes not, it all depends on the mood I am in."

Well, we think that is the most way out kink that we have ever heard of, but what that lady does in her private life is her business and not ours.

Look out for future articles in this series dealing with what men like in the way of kinky sex.

LOOKING GOOD

PLAYBIRDS continental FEATURE

"Okay, take your clothes off and let's have a look at you," he said.

I nodded and started to undo the buttons on the front of my blouse. I didn't like the man at all, but I needed a job. With the recession on there are a lot of out of work models on the market these days, and I'm one of them.

The man who was telling me to undress was one of the biggest agents in town, and if there were any jobs going then he knew where to find them.

I slipped out of my blouse, I wasn't wearing a bra, and he nodded when he saw my naked breasts. I have good breasts, they look good, in fact I look good all over, but my breasts are really perfect.

He nodded and waved his cigar in the air, and I slowly took off the rest of my clothes. Like I said, I didn't like the man, but I did need a job, and if stripping off was the way to get one then I had no choice.

I was now naked, my neatly trimmed pussy hair caught his hair, and he got up from behind his desk and walked over to me, and I cringed when he went down on his knees in front of me and closely inspected my pussy.

"Yeah, great cunt," he said. "Looks good, those lips are nice. Why don't you open them up so I can have a look inside?"

"No way," I said.

He stood up, a snarl on his face. "Listen kid", he said. "You want a job in this town then you do as I say. Now open up that cunt or else you can get your ass out of my office."

"Okay, but I'm doing it under protest."

"You can fucking do it under what you like," he said, going down on his knees again.

I slowly reached down with both my hands and then used my fingers to part my cunt. Normally I like it when a man looks into my cunt, it really turns me on. But this time it didn't, and I was well aware as he looked inside my pussy, that my quim was very dry indeed.

"Don't like dry cunts," he said, standing up again.

"Wet pussy holes are what I like," and then he put out a hand and poked a finger into my cunt.

I slapped him round the face, slapped him really hard, and he staggered across the room, then he let out this huge shout.

"You won't get a fucking job in this town," he said. I got dressed as quickly as I could and rushed from his office. Now I'm not adverse to fucking to get a job, I've done it before, and no doubt I'll do it again, but even when fucking to get a job, I insist that I like the man concerned.

As I walked down the street I was feeling a little miserable, for that man really was powerful in town, and if he put me on his black list then I would find it very hard to get a job anywhere.

As I walked down the street I passed this club, and outside was a sign saying that they wanted really high class strippers. Well, it was a chance, I thought and I went in.

The boss of the club turned out to be a woman, and her name was Rita, and very nice she looked as well. I told her what had just happened to me, and she smiled, said she had heard about that man had even met him once, didn't like him at all.

I told her that I hadn't stripped before, and she said that was no problem, that as long as I looked good, had the right sort of figure, and was sexy enough then I would do.

So once again, for the second time in half an hour, I found myself undressing in an office, but this time it was in front of another

woman.

When I was naked, Rita looked me up and down, and then she nodded her head and said that I looked really good, that I was nice and sexy looking, and she was sure she could use me.

Then came the usual condition.

"Of course," she said. "There are lots of people after this job, for we pay well. If you want it then you have to fuck with me."

I have always been bisexual, and I rather fancied her, so fucking with her would be no hardship, I thought, but I had to smile, for this would be the first time in my life where I've had to fuck with a woman to get a job.

We went in her bedroom, and like I said, I've fucked with men to get jobs, but this was the first woman. Not that I was worried, I'd fucked with plenty of other women in my time, but that was always for private pleasure, this was going to be for business reasons.

I was on the bed, naked, my legs wide open, and she stood by the side of my bed, and again she said that I looked really good, and why didn't I play with myself. Seemed that turned her on.

That was okay by me, wanking off has always been something that I've liked doing, and playing with myself while someone else is watching has always been good, and when it was a woman watching me, well, that sort of adds a new dimension to the thing.

So there she was, fully dressed, standing by the side of the bed, and there I was wanting this job very much indeed, naked on the sheets.

She watched me very carefully indeed as I moved my right hand very slowly down to my cunt, and then smiled when she saw that I was rubbing at my pouting cunt lips with my fingers.

Well, I was so worked up by that time that as soon as my fingers touched my pussy lips, the juice started to flow and dribble from my pussy lips.

"Push them in," she said.

I did as she asked, pushed three fingers all the way into my cunt, and they felt nice inside me, and as I started to wank off I soon had an orgasm.

She nodded. "You wank well," she said. "You'll go down very well in my club. Okay, let me get some of that action, let me have your hand."

I smiled, for I knew what she wanted, and I took my fingers from my cunt and held out my hand, and she leaned over the bed and then used her tongue to lick at my hand.

"Nice taste," she said, as she moved away from the bed. "Very nice taste indeed. Best cream I've had for weeks. Okay, think it about time that I got some more of that stuff. Carrying on wanking, keep that pussy of yours nice and wet for me."

I pushed my fingers back inside my cunt hole and did as she asked, I carried on wanking, and while my fingers were flashing in and out of my cunt, she started to get undressed.

Her body was a real turn on, she had a super body, full firm tits and very lovely legs.

She came back to the bed, I was still wanking, and she told me to stop. I nodded and took my fingers from my cunt and waited for her to do something.

She just dived onto the bed, and she didn't mess about with any foreplay, she knew what she wanted from me, and she headed straight for it, she dived down between my legs and in no time at all she had her tongue all the way inside my cunt hole and she was sucking away like mad.

She was good at it, very good, her tongue seemed to poke right to the very depths of my hole, and I was soon shouting with pleasure as the orgasms went through me.

She was slurping away like mad, really going to town on my cunt, really sucking hard, really plunging that tongue of hers as far into my hole as she could get it, and the suction from her mouth was really something, almost seemed as if she were trying to turn my cunt inside out.

I was in heaven, she was sucking me out better than any woman had ever done before, and come to think of it, it was better than any man had ever done it to me. It was obvious that this woman went with other women all the time.

THE ART OF PENIS ENLARGEMENT
By Dr. John Kroeger

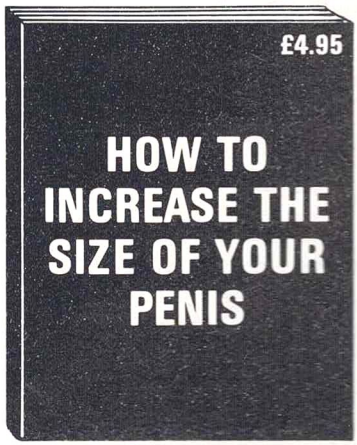
Penis enlargement is NOT just a phalacy, it is a PROVEN FACT, another fact whether he admits it or not is that EVERY normal man wishes his penis was BIGGER, irrespective of how big it already is. As we all know the penis basically is a mass of spongy tissue consisting mainly of blood spaces. When only a little blood is inside the spaces, the penis is SOFT. When blood is pumped in the penis ERECTS. Erection, then, is caused by excitement of the male to which he produces the flow of extra blood into the tissues or veins within the member. If these veins could be enlarged – and we know they can – then more blood will enter the penis and it will become bigger. Additonally, strong muscles surround the base or root of the penis. and by contracting, help retain the blood in the head and shaft of the penis. Clearly, the stronger and better trained the muscles become, the longer and better the penis is able to erect, and remain erect for far longer periods. This conditioning or training of holding more blood in the member can easily be developed by regular use of the CORRECT type of vacuum developer or enlarger and coupled with a descriptive step by step guide of full instructions on the methods of using developers in conjunction with penis exercises, any normal healthy male of any age cannot fail to ENLARGE HIS PENIS and develop the art of MAINTAINING A STRONG ERECTION for any duration of sexual pleasure.

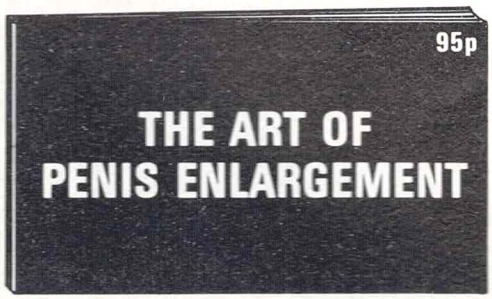
In my many years as a doctor and consultant sex therapist I have been inundated with problems on penis size and performance, so as now retirement has given me the opportunity to pass on all those years of accumulated knowledge to branch out into the field of physically helping the public. Firstly I have with the aid of many staff, put together what I know to be the finest, best quality tested developer and literature available in the world today– all I leave you to do is choose the correct item that suit your individual requirements and pocket from my guaranteed selection below. Just think! The man who possesses a fully enlarged, fully trained, peak performance penis need not worry how a woman will compare him with other men. He will know well enough from the actions of her body and the look on her face.

This will have its effect not only on his relationships but on many other aspects of his daily life and work. He will have more confidence in every way – because he will be MORE OF A MAN.

BOOK 1

48 pages of detailed step by step guides on developers/ enlargers. How to choose them and use them. Instructions on exercises and penis control. Actual pictures of users and the before and after results they have attained. (instructional & pictorial).





BOOK 2

24 pages on how to use our items with or without a partner and descriptions of functional use. Techniques, facts and thrills. (Pictorial & instructional)

TYPE A DE-LUXE VIBROSUCK (10"-12")

(Electric) These pumps are vibrated by battery operated motors. The unique feature is that during use the male can achieve unbelievable heights of pleasure from the vibrations sent to the head of the penis. This will ensure a strong blood flow to the penis head and also maintain a good erection whilst normal suction of the pump promotes growth and strength of the penile shaft. This item also comes with Spanish Fly and Hard on Drips.

TYPE B JUMBO STROKER (Sauna Action) (10"-12")

This model is water filled incorporating a special penis gripper for constant stimulation. The feature of this pump is the extra power suction chamber which is totally separate from the pump and can be used by the male or female, and being piston operated will ensure a far greater degree of suction than by conventional bulb operated pumps. This item comes complete with lubricating cream, and further more lends itself to comfortable 69 positions when operated by a partner.

TYPE C PISTON ACTION STROKER (12"-14")

Conventional tube design but with special penis gripper for added sensation and built in extra power piston suction chamber. The possibilities are endless with this pump as many recorded growths of up to 4½" have been proudly boasted by regular users. Recommended for penis's in excess of 8½ inches. (Full instructions and lubricating cream supplied).

TYPE D SAUNA ACTION PUMP STROKER

This pump differs to any other, by the fact of its newly developed full length rubber penis sheath. It works on the same principle as a womans vagina, completely encasing the member whilst surrounded by warm water. Coupled with the power pack suction bulb it can achieve extremely quick results in growth compared to any ordinary developer. The sensations of this pump are unbelievable, as it is like having the penis sucked into a warm vagina and the male user can easily be brought to a climax with complete confidence as the specially protected sheath ensures complete protection and hygiene even when used as a masturbation method. (Full instructions and lubricating cream supplied.) (Sizes in brackets refer to penis size desired).

She pulled her head away, my juices were dripping from her chin, and she smiled, licked her lips, and then moved up and started to work on my breasts.

She soon had my right nipple inside her mouth, and I groaned with delight, for she was working my nipple round in her mouth in the sexiest possible way.

She rolled to one side, and I used my right hand on her pussy, it was hot and very wet, and her cream spilled out over my fingers.

I pushed a couple of fingers inside her, and she shook with pleasure. I started to work my fingers in and out, thinking what a nice fresh tight cunt she had.

She started to writhe about as my fingers went even deeper into her cunt.

I wanked her off for some time, wanked her hard and fast, wanked her till she climaxed many times over, and when I took my fingers out, she did what many sexy women do, she lapped her own stuff from my hand.

I got the job as a stripper in her club. Now it was a very private club, and she explained to me that up till midnight it was just normal strip spots every half hour or so, but after midnight it was members only, and they locked the doors, and she put on a really good sexy show, in other words, after midnight, as a stripper in that club, you were expected to be a real porn and hard in your act.

That was fine by me. Before midnight there weren't many people in the club, but once midnight came the place was packed.

I stood in the wings and watched the first girl on stage, just to get an idea of how far one could go, and what the girl did amazed me, and I knew that to beat her I would have to be very good indeed

I wanted to keep this job, for it paid very well, so I knew I would have to be good, and so, when I went out onto the stage and faced that packed club, I was determined to do my best.

I took off my clothes nice and slowly, and several people clapped like mad when they saw what a great body I had.

I had no inhibitions about what I was going to do, for my private sex life is very hot indeed, and in my time I've done lots of kinky things, so in a way I was just acting out my private sex life on stage.

So, there I was naked, and I stood there on the stage looking out at all those people, and I started to run my hands all over my body, for I know that men love to see a woman doing that sort of thing.

I moved both my hands very slowly and sexily all over my naked flesh, and this turned me on, well, if I wasn't turned on by what I was doing, then how could I expect anyone else to get turned on? My nipples started to get really hard as I touched myself all over, and then my boobs started to heave up and down, and as I played with my boobs I felt my creamy juices start to build up inside my pussy.

I stood there, and then placed both my hands under my right breast, and after a few seconds, in a very sexy manner, I lifted my boob up very high and then used my tongue to lick at the upper surface of my tit, and that got quite a few cheers.

Then I lifted that firm tit of mine up just a little higher, aned brought my head down just a little lower, and started to lick at my own stiff nipple.

This really did give me a thrill, for I love to do that to my tits. I then lapped some more at my nipple and people started to clap and cheer.

Then I did something that I just adore doing, something which always turns me on no end, I took my entire nipple, yes my whole nipple, all the way into my mouth and started to suck hard on it.

I sucked long and deep, and this turned me on so very much that my juices began to trickle from my cunt lips.

People clapped and cheered the longer I sucked my tit, and of course, after a while, I let the nipple slip from my mouth and then went to work on my other boob.

Then it was time to work on my cunt, and I crouched down at the front of the stage with my thighs spread wide so they could all see my wet and very pouting cunt lips.

I let them look at that pussy for a while, and then gave them an even better view, I used my fingers and

just yanked my cunt lips wide apart, and when I say wide apart, that is exactly waht I mean. I don't think I have ever spread my pussy lips wider than I did at that moment in time on that stage in the club.

People started to clap louder, and it turned me on a great deal to know that all the men there were looking hard and deep into my wide open cunt.

Of course, I let them do more than just look, for after a while I pushed two fingers of my right hand all the way into my tight cunt and then started to wank ,myself off, the first time in my life that I have ever wanked off in front of that number of men, and you know, it was such a thrill, that no sooner had I started to bang my fingers in and out of my cunt, then I had a really good orgasm.

I loved the way the men in the club were urging me on to wank faster and faster, and I looked into the wings of the stage and saw the owner smiling at me, and she was nodding, as if to say that I should do whatever I liked.

I wanked faster, flashing in and out, giving myself a really good time.

Then I had a really body shaking orgasm, so huge and massive that I fought for breath, and then, when it had passed, I pulled my fingers from my cunt, and took a bow.

Well, that was just the start of my career at the club, and they paid me well, I fucked with the owner many times. Also I fucked with a few of the custoemrs, but that is another story.

I'm very glad that I didn't get along with that agent I told you about, for if I'd have let him have his way with me then I would never have landed such a good job.

NOW THIS IS OVER! We have now acquired the top selling HARDCORE VIDEO TAPES FROM SCANDINAVIA – and we offer them to you at unbeatable, low prices! (See below). If you buy these videos we are sure you'll want to keep them – as they are all real collectors items! Sex shops can sell the strongest videos because unlike ordinary video shops they are for adults only. **All these videos are full length, running for 1 hour or more.**

WHAT A WET ONE

PLAYBIRDS Continental FICTION

I never thought that just looking at a man would make me cream up inside my pussy. But right at that moment in time my pussy was very wet, the wettest it has ever been, and all I was doing was looking at a man. He was serving behind the bar in this pub, I had dropped in for a drink during my lunch break, and he was so good looking, there was something about his eyes, and the way he moved, that I knew I had to get him into bed as soon as possible and find out what sort of lover he was. Not that I would have much trouble getting him into bed. I've never, in my entire life, had a man refuse to fuck with me, for I'm tall, with long blonde hair, and a fabulous figure, and when it comes to sex, I reckon that I am an expert, I reckon that I know how to keep a man very happy between the sheets.

I stared at him and caught his attention, and he glanced over. I smiled at him, and for a moment he was taken by surprise, and then he smiled back, and then he moved down the bar to serve a customer.

I sipped my drink and continued to stare at him. Usually it is the men who chase me, I usually don't have to go out of my way to get a man to fuck me, but he was an exception, he oozed sexuality, and that sort of man you don't come across every single day of the week.

I kept looking at him, and then went up to the bar to get another drink, and he served me, and as he handed me the change, I just pushed a small scrap of paper into his hand, that paper had my name and address on it.

He looked at it and smiled, and I smiled back, had my drink, and then left the bar. I had a feeling that he would be round to see me pretty soon.

He was, he came round that night, and as soon as he was in the lounge, he asked me why I had picked him, I told him briefly why, and then said that when I had a man I didn't believe in talking, that actions spoke louder than words, that this was a one night stand, and if he wanted some was take his lovely thick prick in my right hand and run my fingers up and down the very powerful shaft.

That cock, was really hot and hard, and touching it gave me a great deal of pleasure. He moved slightly and his right hand came onto my boobs, and his fingers felt good there, and I moaned with passion when his fingers started to tease and tweek at my nipples.

I stopped stroking his cock, and leaned back, and his head went down, and then his tongue was really good action then he should get ready.

I always go for one night stands. I don't believe in long relationships, I'm a very sexy lady, need sex all the time, need to have as many men as possible. We went into the bedroom, and when he was naked I saw that I had made a very wise choice, for he had the sort of cock which made me go weak at the knees with desire. It wasn't that long, but it was nice and thick, and I like thick cocks most of all, they fill up my pussy in a most delightful way. I undressed and one look at my naked body made that cock of his jerk like hell. I smiled for I liked that, liked that sort of reaction to my naked body.

I stood by the side of the bed and looked at his cock and started to rub my right hand up and down my pussy. That is something I always like doing, like to stare at a good erect cock and play with myself at the same time. I looked at the cock and then slipped two fingers into my cunt hole and rubbed hard inside my pussy with the tips of my fingers, and I was soon creaming up.

I continued to look at that beautiful prick of his and plunged my fingers really deep into my cunt, and soon the juices were flowing, flowing and dripping down the inside of my legs.

Needless to say, he was getting very worked up indeed watching me play with myself like that. I pulled my fingers out, then leaned over and wiped my wet fingers dry on his belly, then joined him on the bed, and the first thing I did

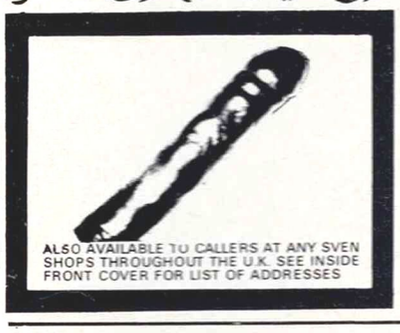
LADY CAN'T SAY NO

VIBRATING PENIS

A viciously effective whip-hand stimulator (available in black or white), as favoured by the ladies of the Brazilian aristocracy. Its unique snake-like action mercilessly activates the nerve endings of the vaginal orifice, nerves which are by-passed by the conventional vibrator (which is active only at the tip).
This unique action also stimulates the lubrication duct, and women who 'thought they knew themselves well' report a massive increase in fluid emission, after just a few moments alone with the Vibrating Penis. It is contoured according to the penis of a donkey (which has more pleasure-giving bumps and ridges than the human penis), but is sensibly proportioned at 7½ inches long. Until very recently, the Vibrating Penis was a black market item selling at £10 or more, but we are able to offer this brand new concept in female stimulation at the more reasonable price of £3.99 post free.
AVAILABLE IN BLACK OR WHITE



ALSO AVAILABLE TO CALLERS AT ANY SVEN SHOPS THROUGHOUT THE U.K. SEE INSIDE FRONT COVER FOR LIST OF ADDRESSES

I am over 18

moving nice and slowly over my boobs, and when he took one of my nipples into his mouth and gave it a good sucking, then I had the first orgasm. Yes, some women only get pleasure from having a man suck their tits, but my tits are so sexy that having them sucked like that, having the nipples really sucked hard, gives me an orgasm always.

He worked on my tits for some time, and then his right hand moved down and I felt the tips of his fingers touching my pussy lips, and that was a very nice feeling indeed. What was even nicer was when his fingers went inside me, really strong stubby fingers, just like his cock in a way, and as they barged in and out of my wet hole I started to tingle with pleasure. He moved his fingers about inside my pussy tube, pushing them in deep moving them from side to side, pulling them out, then pushing them back in again, and slowly the pleasure grew and grew, my juice flowed and then an orgasm burst through me. He slowly withdrew his fingers, he licked at them in his mouth, decided he liked the taste, and asked me to sit on his face. I liked that, for most men just go down on you and suck you out, a lot of them do not realise that women do really love to sit on a man's face to be sucked out.

So, I crouched over his face, crouched low, my juices dripping down, and then sat down, so that my fleshy lips covered his mouth.

I felt his tongue start to lap at my cunt lips and again I shook with delight, then his tongue went inside me, and he was holding his tongue very stiff indeed and flicking it in and out very fast, using his tongue almost as if it were a cock, and the orgasms started to burst through me, one after the other, and then, as that lovely tongue kept up its work inside my cunt hole, I had a multiple orgasm.

I shouted and yelled, could feel my juices being drained from me, could feel the tongue waggling about like mad, and then another massive series of orgasms pounded through my body. I had been right in my thinking when I first saw that man in the pub, he really was very good in bed.

I rolled down, flopped forwards, so that we were in the 69 position, and when he still kept his tongue working away like mad inside my cunt I was now licking and lapping at that nice thick stubby cock of his.

The glans grew large and solid as I licked,and then the cock started to jerk, and then I had another orgasm, for not only was the taste of his cock realy nice, but he had just pushed his tongue deeper than ever into my cunt hole.

I now had his cock inside my mouth, was sucking quite hard at it, and he was slurping faster than ever inside my cunt, and so I sucked harder, and so the next few minutes it was a real frantic suck on both our parts.

He gave me many more orgasms, and then his spunk jetted and flowed into my mouth, and it had to be the best tasting sperm that I had swallowed down in a very long time, and there was one hell of a lot of it.

You know, some men are worried about the side of their cocks, well most women couldn't give a shit about that, what most women want, want, I always demand, is that a man shoot out as much spunk as possible when he comes, and this man was shooting out more than enough spunk into my mouth. It was a sheer delight to drink down so much hot thick sperm.

We rolled apart,and he smiled at me, and I lic-

ked some odd drops of spunk from my lips and then smiled back at him.

Some men, after they have come, lose interest in sex for a little while, in fact some men are real bores, and as soon as they have come they just go to sleep.

Men wonder why women don't ask them back to bed again after a fuck, well, I never ask a man back to my place again if after the first fuck, or suck, they lose interest for a while.

But this man was good, I had just given him one of the best blow jobs of his life, had just swallowed down a great deal of his spunk, and he didn't lose interest, didn't need a rest at all, he just smiled and then reached out, pushed three fingers deep into my soaking wet cunt hole and then started to finger fuck me in a very nice manner.

It was a very nice wank, fast and deep, just the way I like it. He then asked me if I liked my bum slapped, and I said that I did as long as it wasn't too hard, for I'm not into any sort of pain, but a nice gentle slapping always gets me worked up. I rolled round on my hands and knees, and I could tell that he was admiring the firm cheeks of my bum, and then his right hand slapped down on my bum, not too hard, not too soft, just right, and this made me sob with pleasure.

His hand came down again, then again, and I could feel my bum getting very hot under that slapping, and then his hand came down faster, again and again, really slapping me now, and this made me come.

Yes, he slapped at just the right force and pressure to make me have an orgasm. Some men slap too hard, some too fast, but when a man does it just right to my bum then I do climax, and a lot of my girlfriends tell me that they experience the same thing.

Well, slapping my bum must have turned him on, for when I turned round I saw that his cock was starting to get hard, and I helped that lovely cock along by taking it into my mouth and sucking it.

Soon it was hard as anything, and he looked at my cunt, and I nodded. We had sucked, so now we should fuck, I thought, and I lay flat on my back and opened my legs.

You know, I have tried just about every sexual position in the book, when it comes down to it the position which gives me the most pleasure is when I am on my back, for there is something really wonderful about being able to feel a man on top of me, pressing down on me, feeling his hard cock shafting in and out of my tight cunt. He was oon on top of me, and after rubbing his glans up and down my cunt lips for a while, he suddenly jerked, increased the pressure, and my cunt lips gaped open, my juices trickled out, and then his lovely thick stubby cock was slipping all the way into my hole.

I had a climax as it went in, and he pushed it in all the way, went in as deep as he could, till I could feel his balls pressing against my cunt lips. It was a wonderful feeling, I mean, I like all forms of sex, and all forms of sex give me pleasure, but the best pleasure of the lot, the best orgasms of the lot, happen when a man has got his cock inside my cunt hole. That is what a cunt and a cock are for. Sucking is fine, anything is fine, but a cunt was made to take a cock, and a cock was made to sink deep inside a woman's pussy.

So, there he was on top of me, crushing down on me, his cock, his wonderful cock, deep inside my cunt. He started to fuck me, and he proved

what a good lover he was by not going too fast at the start. No, at the start he got me used to the feel of his thick cock inside me by just gliding and gently shafting in and out. It was a very slow movement indeed, just going in nice and easy, the glans rubbing against the cunt walls, then that glans just briefly touching the very depths of my hole, then pausing for a second, and then slurping out again just as slowly.

I started to heave up and down a little, matching his speed and strokes with movements of my hips, just enjoying the fabulous sex feeling which was rippling through my naked flesh. It really was a very nice way to start a fuck. I always say that the first part of a fuck should go slowly, that the woman's first orgasm during a fuck should be built up nice and easily, and then, after that first orgasm, everyone concerned should go flat out.

He was obviously of the same mind as me, and he went nice and easy, rasping and pushing and shafting at just the right speed inside my cunt, and then I started to shake, the blood pounded through my body, and the orgasm burst through me.

He smiled down at me, and I lifted my legs in the air and started to pull at his shoulders with my hands and he took his cue from that and began to fuck just a little faster, and I heaved up and down a little faster.

Soon he was going flat out, and I could feel his lovely balls banging away against my cunt lips, could feel his shaft expand and grew bigger, could feel his lovely swollen glans banging harder now against the very limits of my tight pussy tube.

In and out he shafted, deep savage thrusts now, really hard fucking was taking place, and waves of passion and lust rushed through me, and this was followed by another series of relly good orgasms. Sweat dripped from his face, he was shafting really fast now, slurping that thick dick of his in and out with all the force and power that he could command. I yelled and screamed for more and more, and deeper he went, harder and deeper, each thrust seeming to tear me apart, each deep hard thrust seeming to give me yet another orgasm.

Faster still he went, pounding and banging and then he delivered what I really wanted, he gave me a huge vast flowing amount of hot spunk inside my cunt hole.

Well, I had been aright, he was a good lover, and I was pleased I had seen him at that pub. Tomorrow I will be on a lunch break again about noon, and as usual I will go looking out for a man, any man, and if he takes my fancy I will fuck him that very night. Perhaps it might even be YOU that I see tomorrow lunchtime. Who knows?

Cleo is a world famous Danish blue film star. She has very firm ideas on what sex is all about. We asked her to put in writing her view on kinky, or unusual sex. This is the result.

CLEO TALKS ABOUT ..... KINKY SEX

PLAYBIRDS continental REPORT

If you enjoy it then do it, that is my motto. I very firmly believe that there is no such thing as kinky sex. If it is normal for you then how can it be kinky? Anyway, unusual sex is always great fun. I enjoy all the little extras as I call them. Plain fucking and sucking is fun, and very good for you, but there are times when even I need something else, and that is when I indulge in what some people call kinky sex. But as I have said, my feeling is that as long as the people involved are in full agreement with what is going on, as long as they are really enjoying what they are doing to each other, then it is not kinky, it is normal for the people concerned.

During the course of my career in blue films, I have been called on to indulge in some way out sex with both men and women, and I can honestly say that I have enjoyed it, so much so, that some of the things I have learned about in blue films I have carried over to my own private sex life.

Take masturbation for instance. Most women wank at some time or the other, but most of them use the mundane things such as candles or vibros. Well, a candle or a vibro inside my pussy does give me a great deal of pleasure, but there are now other things that I use which also give me some first class orgasms, and any form of sex is all about orgasms, don't you think.

Just because a thing is unusual doesn't mean you shouldn't try it, and if more women had the courage to use unusual things then they would get much more pleasure from sex.

It was during the making of a blue film that I first used a banana on myself. The feeling I got from it was so good that I now keep a banana handy at home all the time, and whenever I'm in the mood for some solo sex then that banana is the first thing that I reach for.

There is something about the curved shape, the feel of the thing as it slips inside my pussy, which gives me a great deal of pleasure. I have also used a cucumber, and that takes a little more effort, and I have to make sure that my pussy is very wet indeed before I try and get some of those things inside me.

In fact I would say that if it will go inside then you should try it sometime. Women do not realise just how much fun there are missing out on by just using a candle or a vibro. It is really great fun to be in bed with a man and to hand him a banana and ask him to wank me off with it, the expression on the man's face when you ask him is a real treat, and I have yet to find a man who hasn't been willing to use my banana on me.

There are other forms of kinky sex that I like, and I'm sure that if more people tried them out they would also find that they liked them.

There is the golden shower thing for instance. I first did that in a film, and much to my surprise found that I enjoyed it very much indeed, and these days no sex session goes by

without me going into the bathroom with a man, or a woman, and having a go at the golden shower business.

But like I said, to me, there really is nothing that I can call kinky, for I love it all, and therefore it follows that what I like is normal to me. For instance, some people would say that a woman who makes it with two men at the same time is being greedy as well as kinky. Well, I see nothing wrong in making it with two men at the same time, after all, most men want to make it with two women at the same time so what is wrong with a woman wanting to fuck with two men at the same time?

In fact, having two naked men in bed with me at the same time is one of the thrills of my life. Of course, there are many things a woman can get up to with two men, but I have my favourite position with this, and it is this.

I stretch out flat on my back with my legs wide apart, and the mere fact that there are two naked men there, two stiff throbbing cocks, gives me a thrill and makes me cream up inside. Yes, just having two there makes me cream nicely inside my cunt, without the men having to do a single thing to me. I get one man to come up to my face, and when he is kneeling over me, I take his lovely hot cock into my mouth and then start sucking on it, and I have always loved having a good cock inside my mouth, for the taste of cock gives me one hell of a thrill.

As soon as I am sucking well on that cock, the other man goes into action, and he gets between my legs and starts to push the head of his cock against my cunt lips. Now that really is fun, that really is good, having a cock inside my mouth and another cock just about to dive inside my quim. Then the man pushes his cock into my cunt, and this makes me come on the spot. Mind you, I always climax when a man pushes his prick into my pussy, and when I already have a cock inside my mouth then the climax is a really good one.

So when they are both at work, the cock in my mouth going in and out of my lips, the glans banging against the back of my mouth, and the cock inside my pussy really hammering in and out.

To some people this is kinky, to me it is just another normal part of my very active private sexual life. Of course, for a woman to get the most possible enjoyment out of this she should try and get the timing right, and by that I mean she should try and make sure that both men come at the same time, for there is nothing quite like having two lots of spunk inside you at the same time, and getting the timing right isn't easy, especially when both men are going at it like the clappers.

Well, both men hammer away, and the timing is controlled in a sense by the man inside my cunt. He goes at it, and I work out how he is getting on and then increase, or decrease my sucking action on the cock in my mouth.

That is the secret of getting the most from this particular situation, the sucking. The man inside my cunt is really going to town, and when I figure out that he will soon be coming, I suck as hard as possible on the hot cock inside my mouth, even using my hands on the balls to make things speed up. When I do get the timing right, and I usually do, then the spunk shoots into my mouth at exactly the same moment in time as the sperm goes gushing into my cunt hole.

It is a most incredible feeling to have spunk going into those two places at the same time, and it results in a really wonderful orgasm. Yes, with sperm shooting into my cunt, with spunk going down my throat, at the same moment in time, I have a really amazing orgasm.

But like I said, two men at once isn't really kinky to me, it is a normal fact of my sexual life. I also like being in a threesome with another woman and a man, for this means that when the man gets tired I can work on the other woman. What I like about this situation is the fact that the two women can suck the man off between them and then share the spunk out together, and my favourite way of sharing would be to some people very kinky indeed.

Let me tell you about it and you can judge for yourself if you think it kinky or not. We go down on the man together, suck his cock together, do all sorts of nice and wonderful things to that cock. Sharing a cock like that with another woman is always a big turn on for me, and for the other girl and every now and then we stop sucking the cock, and kiss each other, and it is good to taste the scent and feel of a man's cock on the other woman's lips when I kiss her.

Then we go back to sucking the cock, and when the man comes I let the other girl take some of the hot and bubbly sperm inside her mouth and drink it down, and then I pull the cock from her mouth and wank it with my fingers so that the rest of the hot sperm, the very lovely sperm goes over the woman's face.

It turns me on to have spunk on my face, and turns me on to see sperm on another woman's face, and it goes without saying that the man in question also likes to see

this sort of thing.

I pull on the man's cock till he has nothing else to give, and then I lean over, and using the tip of my tongue I then lap up every last drop of lovely sperm from the woman's face, and that is how we share the stuff out.

Yes, lapping it up from the other woman's face gives both of us a great thrill, and the man likes to watch that, of course.

I lap all over the woman's face with my darting tongue, making sure that I don't miss out on a single drop.

Now taking spunk direct from a man's cock always makes me climax and lapping that wonderful stuff from another woman's face always gives me an even bigger climax, there is something very nice and kinky about doing that sort of thing when you're in a three-some. Mind you, I don't think it is that kinky, as I have mentioned many times before, doing that sort of thing is, to me, a very natural and enjoyable part of my private sexy life.

There are many other unusual things that I like doing in my sex life. Most of them are to do with men. Some are to do with women, and a few I do on my own, such as wanking off with as many strange and unusual things as possible.

I like having my bum slapped from time to time, not very hard, just a gentle slapping, and I seem to get more enjoyment from it when a woman does it to me than when a man brings his hand down on the firm cheeks of my lovely bum.

There are times when I like dressing up in rubber and leather, and that is kinky, well, it is the way I do it!

There are times when, with a man, I have what is known as one of my kinky nights. We do not fuck, do not have straight sex at all, everything we do from the word go is what other people would call very kinky indeed.

A typical kinky evening of mine goes like this. The man and I undress each other in the bedroom, and then just to get in the mood, he goes down on me and pushes his tongue all the way into my cunt and then sucks me off.

Then we go into the bathroom, have a shower, and then have a shower of a different sort, a golden shower session, then another proper shower and we dry off and go back into the bedroom.

There I get on all fours, and the man then slaps at my bum with his hand till I have an orgasm. Yes, having my beautiful bum slapped by a man always makes me come.

I then slap his bum, slap it hard, you'd be surprised just how many men I know love that sort of thing. Then after the slapping session, I hand the man that old banana of mine, and he eases it all the way into my cunt hole and then wanks me off with it till I have an orgasm. Sometimes he will then peel the banana and push the bits of it into my cunt and then go down on me and suck the bits from my hole, and that is always a great deal of fun.

Then I wank myself off all over his face, and when his face is coated with my pussy juices, I then use my tongue to lick the stuff from his skin, and you know, I've yet to meet a man who didn't like that sort of thing very much indeed.

Then I get him to slap my bum again, then he kneels over my face and comes overme. Sometimes I get him to wank off so that all his lovely sperm goes over the cheeks of my bum, or over my boobs, and when he has finished coming, I always use my fingers and rub the beautiful hot spunk deep into my flesh.

Yes, that is the sort of kinky evening that I like having. Of course, some people go in for bondage, but that sort of thing has never really turned me on, for I do not like associating any sort of real pain with sex. Slapping bums doesn't mean pain, that is different, but real bondge stuff, well, that can be painful, and for me, havig pain while having some sort of sex session leaves me very cold, but for people who like that sort of thing it is okay I suppose. I wouldn't deny them their right to indulge in anything they like doing.

Yes, sex can be fun all kinds of sex, and I must admit though, that when it boils down to it, that the best pleasure I get from sex is when I have a man on top of me.

Yes, kinky sex is fun, all sorts of sex can be fun, but when you get down to the bottom line then you can't really beat the basics, and the basics of having a man on top of me, his hard cock deep inside my tight pussy hole, that cock hammering away in the depths of my cunt, beats all other sexual sensations as far as I am concerned.

I get lovely orgasms from kinky sexy, really good orgasms at times, especially from the golden shower routine, but the best orgasms of the lot, and I'm sure that all the women reading this will agree with me is when a man is on top of me, fucking me, his shaff plunging and thrusting in and out of my cunt, his glans really huge and hard, and then, the best orgasm of the lot, comes when the man shoots that thick and lovely hot bubbly spunk into my cunt.

Kinks are fun, unusual sex is enjoyable, but the best sensations of the lot is a good straight fuck.

IDEAL COMBINATION

Dear Editor,

Watching a woman play with herself has always been something that has turned me on. I always buy magazines which show women wanking, and I only go to strip shows where I am sure that once the stripper is naked she will at least push a couple of fingers inside her quim and play with herself.

So you can imagine my delight when, at a disco, I met a girl who, while we were talking about sex, confessed that one of her pleasures was being able to masturbate while a man watched her.

It seemed an ideal combination, I would be more than happy just to sit there and watch her, and she would be very happy indeed to be able to make an exhibition of herself by wanking off in front of me.

It seemed that she didn't get very good orgasms from being fucked, her best ones were from wanking, even better ones when she was being watched by a man, although she did admit that sucking a man off always gave her pleasure.

We got along quite well, and arranged that I would go round to her place the following evening where she would give me a nice little private show of her wanking herself off.

So I went round there, knowing that if things went well there was a good chance that she would suck me off after she had finished wanking.

For a while, when I got to her place, we just chatted, and then she said that she was feeling just a little randy, and that now was the time go get down to doing what I was there for.

I asked her if I should undress, and she said no, there was no reason for that, she wanted me dressed and watching, that was all, and I had to make a firm promise to her that no matter how randy and turned on I got while watching her, that I would in no way attempt to join in, and I gave that promise right away.

She placed a small box on the bed, and then got undressed, and her naked body was a real cock jerker for her tits were large, her nipples stiff, and she had trimmed her hair on her pussy right the way down.

She sat on the bed and reached down with one hand and soon had three fingers flashing in and out of her cunt, she said this wasn't a real wank with some of the things that she had in the box, and she did get very wet, for the juices started to flow after about two minutes of finger fucking herself, and the juices ran down her legs and the scent of them hung heavy in the air.

Then she stretched out on the bed, and reaching into the box she took from it a penis shaped candle, and in no time at all she had that candle all the way inside her pussy and was wanking quite fast with it.

I was thrilled to bits to watch this, for it was really fabulous how deep she was pushing that candle all the way into her cunt hole, it was going in so deep that it seemed impossible that it would ever come out again, and as she flashed that candle in and out of her cunt, so she started to have some very high class orgasms.

She was looking at me while she was wanking off, and this seemed to add to her pleasure for some reason.

She worked that candle in and out of her cunt for about five minutes, then slowly pulled it out and put it back in the box.

She pulled out a small wine bottle next from that box, licked the neck of it with her tongue, then holding it by the base, she pushed the neck of that wine bottle all the way into her cunt hole. It was the very first time I had ever seen a woman use such a thing on herself.

It seemed to give her good orgasms though, and the juices flowed as she worked it in and out of her cunt.

Well, after that, she used all different things inside her cunt, and some of them were so way out that even if I told you what they were you would not believe me, let me just say that if she could get it to fit inside her cunt then she used it. Yes she used about two dozen different things while wanking off in front of me.

Yes, I did get my blow job after that, she said I had watched well – whatever that meant – and she gave me a very nice blow job, thank you very much, and she made a point of drinking down every last drop of my sperm when I came inside her sucking mouth.

Well, my wish about seeing a woman spend a long time wanking off with various things certainly came true, and I only hope that one of these fine days they change the law in this country so that magazines such as yours can print really hard wanking pictures.

Sheffield.

SEXY WOMAN

Dear Editor,

I love coming all over a woman's face. I love to see the expression in her eyes as my spunk flows from my cock and cascades all over her face, love to see her face when my spunk is all over it.

I have found that most women just adore that sort of thing, they just love having spunk shooting out over their faces, just love the feel of the spunk on their flesh.

Indeed, some women I have been with have even climaxed when the hot spunk has spurted from my cock and splatterd all over their faces.

One girl in particular, Toni, insisted that I do this to her at least once every time we went to bed. I would have to kneel by the side of her face, and she would reach up with her right hand and cup my balls, and then I would have to wank myself off.

I think she got a great thrill from seeing me play with myself, and having her hold my balls like that while I was wanking really made me hot and hard and made the spunk build up to a fantastic degree inside me.

She asked me always to wank slowly, so that she could watch me for as long as possible, and I also had to keep my glans pointing right between her eyes while I did this, for she always liked the first hot dollop of spunk to hit her right on the bridge of her nose so that it would trickle down either side of her nose onto her cheeks.

Well, she also came when I did, and I pulled hard and long on my cock to get every last drop out, and she always tugged hard on my balls to help.

It was really something to look down, to see the first lot of spunk hit her right between the eyes, and then to wave my cock about, so that the rest of my flowing sperm was distributed evenly over the rest of her face.

Then, just before the last drop came from my cock, she would lift her head up and then take my cock into her mouth and drink down the last few drops, and then she usually had a climax.

But that wasn't the finish, for she was a very sexy woman, and after climaxing from having all that spunk over her, she would sit up, and with a look of lust in her eyes, use her fingers to wipe the sperm from her face, then she would smile, open her mouth, push that spunk coated finger inside her mouth and suck it dry, and then she would repeat this process over and over again till every last drop of spunk had been wiped from her face and placed in her mouth.

Yes, she just had to be the sexiest woman I had ever known when it came to wanting spunk all over her very beautiful face.

HAND JOB

Dear Editor,

Had a very unexpected hand job the other day. No I didn't do it myself, it was done to me by this really super bird, and it came right out of the blue.

I was in this cinema watching a rather sexy film, and sitting next to me was this woman, and it was pretty obvious from the way she was writhing about in her seat that she was getting turned on by what was going on the screen.

In the interval, we started talking, and she said she just loved looking at cocks spurting out spunk on the screen.

Well, the next film came on, and it showed a woman giving a man a hand job, and the next thing I knew was that this woman sitting next to me, while still staring at the screen, had reached over and was rubbing her right hand in my lap.

I don't really think she knew what she was doing, I think that she was so engrossed in what was happening on the screen that her hand had automatically reached out for something.

Well, I wasn't going to ask her to stop, for it felt nice what she was doing, and I slumped down a little in the seat.

Well, the action was really wild on the screen, with cunt juices and spunk blasting out all over the place, and this woman next to me started to maon softly to herself, and it was then obvious that she was having some sort of orgasm.

Well, her hand started to pull at my zip, and the next thing I knew my zip was down and she was fishing my cock from my pants and she was still looking at the screen, still not really knowing or realising what she was doing to me.

Her hand started to move up and down my cock, and she had a really gentle touch, and I was having the time of my life.

She wanked me nice and slowly, her fingers really feeling good on my hot shaft, and then I started to come, and she turned her hand over and caught every last drop of my come in the palm of my hand, and then, still looking at the screen, she raised her hand to her mouth and started to lap at it.

Well, I pushed my cock back in my pants, and thought I'd check my opinion of her, and when the film finished I turned to her and asked her to give me a hand job, and she slapped me round the face and said she wasn't that sort of girl and got up and left. Yes, she hadn't known what she was doing, she was so much into that film that she had given me a hand job without fully realising it. Lucky old me.

MOONLIGHT STRIP

Dear Editor,

Last summer I was on holiday in Malta, and at the hotel I was staying at, there was a huge outdoor swimming pool.

One night, at three in the morning, it was so bloody hot that I decided to go for a swim. It was dark, but the moon was full, so there was just enough light to see what I was doing.

Well, I was at the far end of the pool when this woman in a dressing gown appeared at the other end of the pool, and she didn't see me in the shadows.

She looked round, then took off her dressing gown and I saw that she was naked, and then she dived into water, you can imagine her surprise when she swam to the end where I was and saw me. I was naked as well.

She was lovely, and we both had a laugh about swimming nude, and then we swam about together, and every now and then our naked bodies would come into contact under the water, and it wasn't very long before I had a huge erection, and the next time she brushed into my hard cock rubbed against her flat belly.

I saw her eyes light up, and then I felt her hand on my cock, and so I put a hand on her pussy, and we trod water like that in the deep end. I pushed three fingers into her cunt, and she gasped with pleasure and then her fingers started to move up and down my prick.

She suggested there was a better place for what we both had in mind, and I agreed, and so we got out of the pool, dried off, dressed and then went up to my room, and then undressed again as quickly as possible.

She really was very beautiful indeed, with firm thrusting boobs, tipped with red stiff nipples, and a cunt that was out of this world.

The lips of her pussy were very pouting indeed and damp with passion, and my cock was still hard and throbbing.

I wasted no time at all in getting down to work on her quim. And she sighed with delight as my tongue started to lap at her quim flesh, and then she sobbed with lust as I slowly slipped the tip of my tongue into her hole.

She really was very wet in there, and I lapped out her cream, and this gave her an orgasm almost right away, and as I pushed my tongue deeper into her cunt, as I slurped harder, as I drew lots of hot cream from her fuck tube, so she had even more climaxes.

Usually I am dead tired at that time in the morning. But one taste of her sweet cunt cream gave me all the energy I needed. Funny, how a

taste of good pussy can make you come to life again, isn't it?

I rolled over and she went down on me, and her tongue and lips were very gentle as she lapped at my cock, and soon she had my glans inside her mouth and was sucking nice and easy, bobbing her head up and down, every now and then taking my cock from her mouth and then licking my balls. She was quite an expert at sucking cock was that lady, so expert in fact that she just went on and on, sucked until I ejaculated, and then she swallowed down all the spuk that I could give her.

Later, when I was hard again, I got on top of her and pushed the full length of my cock into her twat, and I filled her tight hole up very nicely with my prick, and I pushed it in deep, really deep, and this in itself gave her an orgasm.

Soon I was shafting away like mad, soon I was pounding in and out of her wet beautiful hole with all my might, soon I was giving her orgasms galore as I fucked her hard and fast and really deep, my balls slapping against her wet cunt lips as I went in and out.

Like all the really sexy, randy, women, that I have ever known in my life, she saved her biggest orgasms till the end, had the most intense one when the spunk gushed into her hole.

As I came, I could feel her cunt walls rippling up and down my shaft as she made sure she was getting every last drop.

Well, we fucked for the rest of the night, and then as dawn broke, we went back to the swimming pool, and naked, had another swim.

The rest of the holiday was just as good, she and I met in the pool every night at three in the morning, and then swam about, then went back to my hotel room and fucked till dawn was well under way.

You could say that it was the holiday of a lifetime, and as you can no doubt guess, I aim to go back to the same hotel next year. From now on, having a swim at three in the morning will have a new meaning to me.

Mr. G.W.
Kent.

GENUINE COLOUR PORNO
From the Publishers of this Magazine

We hope you enjoy this magazine and the others in our range – you can't buy anything stronger in newsagents. However, we do produce one or two lines that go the whole way – these are for sale to personal callers and mail order only – but they are too strong to sell in local newsagents. These large colour magazines are as strong as any imported material. Look at these two mags:

1. PORNO MODEL
Superb 100 page magazine. Introduces ACTUAL EXPLICIT shots of sexual intercourse (first British mag to feature this), plus vibro masturbation shots, flap shots, fist ducking, actual penetration intercourse and actual penetration oral sex shots. This is the strongest magazine ever printed and sold in Britain. Mail order price £2.75

2. PORNO
As the title suggests non-stop porno stories and colour pictures from end to end. The most explicit sex magazines ever published. Covers every form of pornography and sex. Group, Les, objects, the lot. You've never seen a book like this. Just £3.25 mail order.

☆SPECIAL OFFER☆ We offer you PORNO MODEL & PORNO at the SPECIAL OFFER PRICE OF £5 instead of the normal price of £6).

OUR PLEDGE
We as the publishers of this magazine GUARANTEE that these are the strongest and best books we have ever published – stronger than our normal monthly publications. These magazines are DEFINITELY NOT the normal 'rip-off' mail order lines that so many of our competitors appear to specialise in.

HOW TO ORDER
Fill in this coupon and send it to: Mail Order Dept, 34 Upton Lane, London E.7. (your magazines will be sent by return under plain cover).
OR BETTER STILL CALL IN PERSON at any of our PRIVATE SEXSHOPS throughout the U.K. (Full list of addresses can be seen on back cover of this magazine).
